THE PRODUCT

AU 79 (Gin Oro) is a delicately flavored saffron gin that offers a sensory journey along the Silk Road, from the shores of the Mediterranean to the exotic vistas of the Orient. The aromatic accords are presented with an initial sensation of freshness, which evolves into a crescendo thanks to the enveloping presence of the world's finest saffron stigmas, which give depth and warmth to the bouquet. The conclusion is a persistent richness of Mediterranean scents, which fix the memory in the gustatory memory.

TASTING NOTES

Mediterranean plants and spices, saffron stigmas.

FUN FACTS

The name of this Gin comes from the symbol (AU) and atomic number (79) of gold. When exposed to natural light, the gold color of the product may lose its intensity: this does not affect its properties or flavor. However, storage in a cool place out of sunlight is recommended.

TASTING TIPS

Ideal served cold, neat or mixed: for a Gin Tonic we recommend pairing with neutral tonics with plenty of ice to allow Gin Oro AU 79 to express its aromatic accords to the fullest. Perfect as a gastronomic accompaniment.
