## ORIGIN

Ever since their first visit to Olfattorio, Riccardo and Giancarlo Camanini immediately got in tune with Baldo Baldinini's philosophy and creativity: hence the idea and the desire to create together a product capable of celebrating friendship and "distilling" the essence of Lake Garda, the elected place for the two brothers' activity since ever.

---

## THE PRODUCT

Camanini Dry Gin is the result of the combination of several top-quality distillates and spirits, expertly produced and blended. The scrupulous processing of raw materials, carefully selected by Baldo Baldinini, guarantees the characteristic properties of each DIBALDO spirit.

---

## FUN FACTS

The design and label of the gin, upon which is part of the formula written in the language created by Baldo Baldinini, are inspired by the colors that can actually be seen from the windows of Lido 84, the restaurant founded by the Camanini brothers, facing the western shore of Lake Garda.

---

## TASTING NOTES

Garda lemons and cedars, wild juniper, Mediterranean scrub plants.

---

## TASTING TIPS

Chilled, neat or stirred. For a Gin Tonic we recommend pairing with neutral tonics and using plenty of ice to allow Camanini Dry Gin to best express its aromatic accords. Camanini's concentration ensures that with 3 cl of gin accompanied by 18 cl of tonic, you get a complete and balanced Gin Tonic.

*DIBALDO Spirits have a high aromatic intensity to promote alcohol consumption in a restrained and responsible manner. DIBALDO uses no additives, artificial coloring, caramel or burnt sugar.*
