THE PRODUCT

Paracelso was born from the fusion of the highest quality distillates and spirits, expertly selected and blended. Its composition is designed to enhance the perfection of the individual ingredients with every sip. The sensation on the palate is lively, with a clear Mediterranean imprint given by the presence of citrus peels, which enrich its aromatic profile. Paracelso's freshness comes through with elegance and delicacy to create a unique and well-balanced tasting experience.

TASTING NOTES

Mediterranean herbs and spices, bark, citrus peel.

TASTING TIPS

Ideal served cold, neat or blended: for a Gin Tonic we recommend pairing with neutral tonics with plenty of ice to allow Paracelso to best express its aromatic accords. The concentration of the product allows for a complete and balanced Gin Tonic with only 3 cl of gin accompanied by 18 cl of tonic.

DIBALDO Spirits have a high aromatic intensity to promote alcohol consumption in a restrained and responsible way. DIBALDO uses no additives, artificial coloring, caramel or burnt sugar.
